**Open Forum Rules:

1. Only one person speaks at a time; no one will interrupt while someone is speaking
2. No personal attacks. Challenge ideas, not people.
3. Everybody will seek to focus on the merits of what is being said, making a good faith effort to understand the concerns of others.
4. Everybody will follow the "no surprises" rule. Concerns should be voiced when they arise, not later in the deliberations when a "surprise" objection is raised.
5. Each person reserves the right to disagree with any proposal and accepts responsibility for offering alternatives that accommodates their interests and the interests of others.
