Instructions

General information

This form is not valid unless all entries have been completed.

If the organization **does not have** Form ST-119, *Exempt Organization Certificate*, issued by the Tax Department, it **may not use** this form and must pay sales tax on its purchases.

This form may not be used to make tax exempt purchases of motor fuel or diesel motor fuel. Form FT-1020, *Exemption Certificate for Certain Taxes Imposed on Diesel Motor Fuel and Propane*, or FT-1021-A, *Certification for Purchases of Non-Highway Diesel Motor Fuel or Residual Petroleum Products by Certain Exempt Organizations*, may be used to make qualifying purchases of diesel motor fuel exempt from tax.

Hospitals, volunteer fire companies, and volunteer ambulance services exempt from sales tax may claim exemption on the purchase of motor fuel by using Form FT-937, *Certificate of Exemption for Qualified Hospitals, Volunteer Fire Companies and Volunteer Ambulance Services*. Other exempt organizations may use Form FT-500, *Application for Refund of Sales Tax Paid on Petroleum Products*, to apply for a refund of sales tax paid on qualifying purchases of motor fuel and diesel motor fuel.

Representatives of governmental agencies or diplomatic missions may not use this form.

To the purchaser

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments That Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

Check either the *Single purchase certificate* or *Blanket certificate* box.

A blanket certificate covers the original purchase and subsequent purchases of the same general type of property or service.

If you do not check the *Blanket certificate* box, the document will be considered a single purchase certificate.

Enter the organization's information as it appears on Form ST-119, *Exempt Organization Certificate*. The EX number requested is **not** a Federal employer identification number or New York State sales tax vendor ID number. The organization must have applied for, and received, exempt status from the Tax Department, and been issued a six-digit EX number. **If you do not have this number, you may not use this form.**

The organization's exemption from sales tax does **not** extend to officers, members, or employees of the exempt

organization. Personal purchases made by these individuals are subject to sales and use tax.

An organization's exemption from sales tax does **not** extend to its subordinate or affiliated units. When making purchases, subordinate or affiliated units may **not** use the exemption number assigned to the exempt organization. Such misuse may result in the revocation of the exempt organization's exemption.

Please print or type the responsible officer information and fill in the date you are issuing this exemption certificate. The exemption certificate must be signed by a responsible officer of the organization.

To the seller

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and reasonable ordinary due care is exercised in the acceptance of the certificate. If an exemption certificate with all entries completed is not received within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

Note: the exempt organization must be the direct purchaser **and** payer of record. Any bill, invoice, or receipt you provide must show the organization as the purchaser. Payment must be from the funds of the exempt organization. Payment may not be made from the funds of individual members of the organization, even if they will be reimbursed.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale made to a purchaser with the exemption certificate you have on file from that purchaser.

You must keep this exemption certificate for at least three years after the due date of the return to which it relates, or the date the return was filed, if later.
